

Pantry Schedule 2009

my number

--

Please do not arrive earlier than your scheduled time for your number! There is not enough parking to handle more than the amount of people allotted for each section. Coming early will clog the parking lot, slow the lines, and make the night longer for everyone.

Based on the past months, we almost always are running later than planned. If your number is in the middle to end of a section, you might even want to wait a little longer to arrive. *If you have one of the first 20 numbers that month, you may arrive at 4:45.*

Each month we get many people with various reasons why they cannot wait until their time to pick up food. We can no longer honor any requests. You are welcome to come later in the night to shop, or the next morning between 9:30 and 1 PM for a make up box of food.
