

# Brake the Cycle of Poverty Rider Sponsorship Form

If you and 99 other riders ask *just 5 coworkers* for a \$20 sponsorship that would raise an additional \$10,000 which goes directly to delivering services to those most in need. Imagine the impact on others that you can have!! Of course you can also ask family members, neighbors, and that person in line ahead of you at the grocery store. Yes, you can raise less (everything helps) and yes you can raise more. In fact raise \$300 and you'll receive a Friend, Inc. Cycling Jersey!

Your ride allows us to support the self-sustainment of our neighbors in need throughout northeastern Berks County. In addition to our food Pantry and satellite Pantry for Kutztown University students our case management services address food insecurity, money management education, assistance with utilities, rent and transitional housing. We're also the Kutztown home for a number of supportive agencies including Family Guidance Center, Safe Berks, and Maternal and Family Health Services (WIC).
